GROUP AT A GLANCE

Holdsport Limited is a leading South African cash retailer and wholesaler selling sport, leisure and recreational merchandise.

It was the first sporting goods superstore of its kind in South Africa and remains dedicated to the active sporting enthusiast by providing customers with quality branded merchandise at competitive prices.

The group has a national store network operating the Sportsmans Warehouse and Outdoor Warehouse retail chains.

These chains operate large-format stores mostly located in value centres in recognised retail nodes throughout South Africa.

Holdsport also has a rapidly expanding wholesale division which designs, manufactures, imports and distributes technical sports and outdoor apparel and equipment under the First Ascent, Capestorm, Second Skins and African Nature brands.

The group is firmly associated with South Africans' love of sport and the outdoors and has been listed on the JSE Limited since 18 July 2011.
